March Edition 2025

From Our Heart...

Dear Parents and Students,

Spring is near and we can't wait for warmer weather and time outside in the sunshine! This time of year marks the start of our competitive season and we couldn't be more proud of our teams and their dedication to themselves, each other, and the SCDC family! We are looking forward to an amazing season!

By now, most recital costumes have been sent home with our students. We will continue to hand these out as they arrive. Please remember that we ask that you please do not allow your children to play in their costumes. They need to be kept in perfect condition for pictures and their performance.

Please remember that all recital forms were due on February 16th. If you have not turned these in, you may need to make other arrangements to buy your supplies. We can still accept additional tickets and flower order forms up until April. However, please make sure you have order the tickets you know you need. We need an approximate head count for each show so we know how many tickets we can sell at the door. Thank you!

If you did not order recital items through us and need to get them, we suggest going to Wellheeled in Lexington. We strongly encourage you to get the items you need now because the closer it gets to picture week, the harder it will be to obtain these items as they are in high demand.

Don't forget!! Picture week is March 3rd-7th You should have recieved an email with a detailed schedule attached. Please contact the front desk if you did not recieve this email. More details on page 3 of this newsletter!

March 3-7	Picture Week
April 1	Tuition Due— Drafted
April 14-18	Spring Break
April 21	Classes Resume

* The studio will be closed on Labor Day, Thanksgiving, Christmas, Spring Break, and Memorial Day.* We do not offer make up classes for these holiday breaks.

Recital Practice

Recital dances have been started in all of our classes. We strongly encourage you to allow your child to practice at home.

Please know that most of our recital music has been edited down to the appropriate time length for recital dances (approximately 2 minutes) so the versions you can find on YouTube or iTunes are not the ones they will perform to in the show. Teachers will be happy to share this with you after music is finalized!

Please make every effort to have your child attend classes. New choreography is taught every week and it's important to your child and the class that no one falls too far behind.

It is very important that your child practice every day to ensure he/she will have confidence and be comfortable performing on the stage!

Pictures

* ALL PICTURES WILL TAKEN AT THE MAIN LOCATION

*Group Pictures will be taken first.

*An individual picture will be taken of every child, even if pictures are not purchased.

*If your child is in a combination class, your teacher will inform you of which costume to wear first. They will need to bring BOTH costumes as they will be taking pictures in both ;)

*Recital hair is required for picture day, so that the group picture is consistent.

*Full stage make up is not required, however we strongly encourage you to wear eyeshadow, mascara, blush, and lip gloss or lip stick.

*DON'T FORGET YOUR SHOES!

*We will not dance on picture day, but please wait to be dismissed by your child's teacher before leaving.

* We encourage you to take sibling pictures. However, you must let your child's teacher know before they enter the photography room that you would like to have one taken. If your children are in two different classes at two different times, please make both teachers aware.

* NO PARENTS will be allowed in the room where pictures are taken
